## Backgrounds of Early Christianity By Everett Ferguson

Having long served as a standard introduction to the world of the early church, Everett Ferguson's *Backgrounds of Early Christianity* has been expanded and updated in this third edition. The book explores and unpacks the Roman, Greek, and Jewish political, social, religious, and philosophical backgrounds necessary for a good historical understanding of the New Testament and the early church. New to this edition are revisions of Ferguson's original material, updated bibliographies, and fresh discussions of first-century social life, of Gnosticism, and of the Dead Sea Scrolls and other Jewish literature.
