### Book of Majors 2015: All-New Ninth Edition (College Board Book of Majors) By The College Board

The *Book of Majors 2015* by The College Board helps students answer these questions: What's the major for me? Where can I study it? What can I do with it after graduation?

Revised and refreshed every year, this book is the most comprehensive guide to college majors on the market. In-depth descriptions of 200 of the most popular majors are followed by complete listings of every major offered at more than 3,800 colleges, including four-year and two-year colleges and technical schools.

The 2015 edition covers every college major identified by the U.S. Department of Education?over 1,200 majors are listed in all. This is also the only guide that shows what degree levels each college offers in a major, whether a certificate, associate, bachelor's, master's or doctorate. The guide features:

- insights?from the professors themselves?on how each major is taught, what preparation students will need, other majors to consider and much more.
- updated information on career options and employment prospects.
- the inside scoop on how students can find out if a college offers a strong program for a particular major, what life is like for students studying that major, and what professional societies and accrediting agencies to refer to for more background on the major.

### Editorial Review

#### Review

“This book will help students ask the right questions . . . and move from ‘I like science’ or ‘I like history’ to the majors that are right for them.” ?*Susie Rusk, Counselor, Robert McQueen High School, Reno, Nev.*

“The College Board has taken a complex topic and made it seem easy. The descriptions are right on target, and the lists are terrific for matching majors to colleges.” ?*Bill Yarwood, Director of Guidance, Moorestown High School, Moorestown, N.J.*

#### About the Author
