Building Understanding Together: A Constructivist Approach to Early Childhood Education By Sandra Waite-Stupiansky

Based on sound learning, Building Understanding Together: A constructivist Approach to Early Childhood Education demonstrates the basic tenets of Piaget's constructivist theory in a comprehensive format. This text shows how constructivism can be applied to all areas of the curriculum; language arts, science, math, social studies, and the arts. Chapters include vignettes of classroom examples to help the reader connect the abstract, theoretical concepts to concrete applications of the concepts.
