Dead in the Water (Gemini Book 1) By Hailey Edwards

Gemini, Book 1

Camille Ellis is the Earthen Conclave's golden girl. Her peculiar talent solves cases with a touch. She isn't afraid of getting her hands dirty, but every bright star casts a shadow, and her deepest scars lurk just beneath the skin.

A routine consultation goes sideways when a victim's brother gets involved in the investigation. Riding the edge of grief, the warg will go to any lengths to avenge his sister's death. Even if it means ensuring Cam's cooperation at the jaws of his wolf.

When the killer strikes again, Cam is caught between a warg and a hard place. To save the next victim, she must embrace her past. Even if it means dragging her darkest secrets into the light of day.
