### Island of Saints: A Story of the One Principle That Frees the Human Spirit

By Andy Andrews

While digging up a withering wax myrtle tree beside his waterfront home on the Gulf coast, author Andy Andrews unearths a rusted metal container filled with Nazi artifacts and begins an intriguing investigation that unlocks an unspoken past that took place in his backyard . . . literally . . .

. . . In the summer of 1942, as the country gears up for a full-scale commitment to WWII, German subs are dispatched to the Gulf of Mexico to sink U.S. vessels carrying goods and fuel for the war. While taking a late-night walk along the coastline, Helen Mason—recently widowed by the realities of war—discovers the near-lifeless body of a German sailor. Enraged at the site of Josef Landermann's uniform, Helen is prepared to leave the lieutenant to die when an unusual phrase, faintly uttered, changes her mind.

Set in a period simmering with anger and suspicion, *Island of Saints* offers the very real chronicle of a small town preparing itself for the worst the world has to offer. As cargo from torpedoed ships begins to wash up on the beach, Josef and Helen must reconcile their pasts in order to create a future.

Blending his unique style of historical accuracy with unparalleled storytelling, *New York Times* best-selling author Andy Andrews offers a tale of war, faith, and forgiveness—illuminating the one principle that frees the human spirit.

### Editorial Review

From Publishers Weekly

Bestseller Andrews provides another round of light historical fiction, with themes similar to his last book, *The Lost Choice*. This time the person finding historical artifacts in his yard is Andrews himself. (Fact or fiction? It's tough to tell, and some readers may find that confusing.) While trying to dig out the roots of a dead wax myrtle tree, Andrews's shovel hits a tin containing WWII artifacts—buttons, photos, a badge and medal from a German U-boat officer. Andrews, who lives on a Gulf Coast island, immediately begins researching U-boats in the Gulf of Mexico during the war. Who did these items belong to? How did they end up buried in his yard? What happened to the German officer and the family shown in one of the pictures? The questions lead him to uncover the past: a U-boat officer washed ashore, critically injured; a desperately bitter young war widow; a crazed Nazi; and a cast of characters from a sleepy undeveloped beach town. The underlying theme concerns the necessity and nature of true forgiveness, portrayed through the story and in occasionally didactic dialogue that may grate on some readers. But many are sure to love this sweet tale, simply told. (*June 2*)

Andrews tells the story of an unlikely love affair between a German soldier stranded in the U.S. during WWII and a young widow struggling to move beyond the loss of her husband. Andrews himself is a character in this historical novel, set on an island along the Gulf Coast. He lends his own perspective to the events as they unfold, as well as his gentle, relaxed drawl. Andrews's pacing is superb; he gives locals of the town distinct and likable personalities that fit both his character descriptions and their actions. While this is not great literature, Andrews's reading and the general amiability of the town and its people make for a welcome escape. ### Users Review

From reader reviews:

**Stevie Mozingo:**

Book is actually written, printed, or outlined for everything. You can know everything you want by a e-book. Book has a different type. We all know that that book is important point to bring us around the world. Alongside that you can your reading expertise was fluently. A guide *Island of Saints: A Story of the One Principle That Frees the Human Spirit* will make you to always be smarter. You can feel far more confidence if you can know about every little thing. But some of you think in which open or reading a book make you bored. It isn't make you fun. Why they can be thought like that? Have you seeking best book or suited book

with you?

**Wesley McFarland:**

This Island of Saints: A Story of the One Principle That Frees the Human Spirit is great publication for you because the content which can be full of information for you who have always deal with world and get to make decision every minute. This book reveal it information accurately using great arrange word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tough core information with wonderful delivering sentences. Having Island of Saints: A Story of the One Principle That Frees the Human Spirit in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world within ten or fifteen second right but this publication already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt which?

**James Hopwood:**

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Island of Saints: A Story of the One Principle That Frees the Human Spirit can make you experience more interested to read.

**Karen Johnson:**

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from the book. Book is composed or printed or illustrated from each source this filled update of news. On this modern era like right now, many ways to get information are available for anyone. From media social including newspaper, magazines, science guide, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the Island of Saints: A Story of the One Principle That Frees the Human Spirit when you desired it?
