No Strings Attached (Last Hope Ranch Book 1) By Amanda McIntyre

WELCOME BACK TO END OF THE LINE, MONTANA!

Come by for a visit, we think you'll like it here!

Sally Andersen has spent her life teaching school kids and being a caretaker for her ailing father. Alone after five years, she sees her friends marry and start families and decides she, too, wants a family... just not in the conventional way

Serving overseas left Clay Saunders with no leg, PTSD, survivor guilt, and more pity than he wants. Recuperating at the Last Hope ranch at the insistence of his old friends, the Kinnison brothers, he is asked to take part in a charity bachelor auction by the little town's fiery, redheaded music teacher. What Clay doesn't expect is the hope of a normal life that sparks inside of him at her unusual request...

She wants a baby. NO RULES. NO COMMITMENT. NO STRINGS ATTACHED.

Editorial Review

Review

Amazon reviewers thoughts on the Kinnison Legacy in End of the Line, Montana-the books that introduced us to End of the Line and inspired the spinoff Last Hope Ranch series!

"I read this book first with kindle unlimited and then bought it. I don't give out 5 stars easily but this book was so poignant and sweet that it won my heart. Well developed characters that draw you into the story. Definitely recommend!"-Amazon reviewer, on Rugged Hearts

"The combination of high emotions, deep-seated internal struggles and hot sizzling sex make this a great story. Love, guilt, avoidance and revenge are only the tip of the iceberg. Amanda McIntyre developed a storyline with characters with whom you can relate. This can be read as a standalone but I highly recommend the series."Penna Reader, Amazon Reviews, on Rustler's Heart

"Ms. McIntyre has a compelling way of blending love, angst, & familial bonding in a tale that is hard to put down. Although each book in the series is "stand alone", it takes all of them to emphasize that family is more than blood relations. If you enjoy a contemporary read about overcoming the odds & being stronger for it, I highly recommend The Kinnison Legacy series, and truly hope that Sally & Clay are bugging Amanda to be heard."-TE Rolle, Amazon reviewer on Renegade Hearts
