### **The Butcher, the Baker, the Candlestick Maker** By Rob Rosen

A photography student gets more than he bargains for when he photographs a blond Polish butcher, who he has sex with in the back of the butcher shop; a ginger-haired Irish baker, who he has sex with in the back of the bakery; and a brunette British candlestick maker, who he has sex with in the back of the candle shop. All of the men photographed are in period costume and all have tricks up their sleeves—and, of course, down their pants. In the end, a budding romance evolves between the student and the butcher.
