**The New Testament of the Holy Bible King James Version (KJV) Easy Reading Edition in Paragraph Format [Verse Numbers Removed: Verseless Edition Jesus Christ ... Words in Bold and Red (Red Letter Edition)]** By GOD

### **The Bible Should be Verse Free!**

The Bible (as most people read today) is the result of different translations throughout time. This King James version of the Bible is a verse less edition. All the words are kept in the original language, just without subscripts and verse numbers. Aside from that, the original text is undisturbed.

### **The Problem with Subscripts and Verses**

Instead of reading the Bible we tend to fragment it thanks to the numerical nature of Bible verses. When we read the Bible in verses we are trained to treat it in single solitary bits which leads to taking sentences out of context. When verse numbers are removed, the Bible reads more like an excitingly rich story, as it ought to be.

### **Read the Bible with Flow and Continuity**

It is so easy to separate one verse from another when each sentence has its own number. Without our current splintering of the Bible, this Easy Reading Edition, helps us to read it with the same flow and continuity of other great books of literature, poems, reports and stories.

### **Words Of Jesus Christ in Red and Bold**

The words of Jesus are so important that they need to be different in some sort of way. Since there are so many different e-book readers (color, Blk/Wht etc.), this Bible has the words of Jesus in bold for those with a black and white reader, and

in red for those with a color reader.
