Dr. Wayne Dyer has been changing lives for decades, and in this live lecture he offers an all-you-can-eat buffet of positive thinking, mysticism, life wisdom, and good old common sense. Dyer's polished baritone occasionally edges toward the plummy, doubtless a side effect of years of public speaking, but his humanity and directness shine through. His inspiring message is applicable to anyone's life, though he cribs openly from Castaneda, St. Francis, William Blake, and other luminaries. The result is a package one can listen to and enjoy repeatedly. A great recording if you're feeling down or full of angst, or want to help someone who is.
