Editorial Review

Review

Outstanding and penetrating outline of the processes of war and the means of fighting from 1415 onward.

(Chicago Tribune)

Far and away the best of the histories of military affairs.

(American Political Science Review)

Leaves the reader astonished by its combinations of brevity, clarity, and accuracy.

(Times Literary Supplement)

Surpasses any other general history of the subject.

(Library Journal)

The narrative flows easily, is illuminated by flashes of colorful detail, and relates the development of warfare to the political, technological, and economic changes of the modern era... Especially stimulating and helpful is Mr. Ropp's system of bibliographic footnotes. These are found on almost every page, directing the reader to a well-selected choice of historical and military writings which will provide more light and wider vistas whenever his interest is further stirred by what he is reading... This reviewer... has never seen anything quite as calculated to guide the beginner in further exploration of the subject or to serve as a quick reference index for the experienced analyst.

(New York Herald Tribune)

A substantial and scholarly history of modern warfare from the age of the 'great captains' through the innovations of the industrial revolution, to our age of unlimited violence.

(Foreign Affairs)

A brilliant survey of the history of warfare... the best yet produced anywhere.

(B. H. Lidell-Hart)

About the Author

Theodore Ropp is a professor of history emeritus at Duke University. He is the author of *The Development of a Modern Navy: French Naval Policy, 1871-1904* and *History and War*. He was awarded the 1991 Samuel

Eliot Morison Prize for his contributions to the field of military history. **Alex Roland** is chair of the History Department at Duke University and the author of *Underwater Warfare in the Age of Sail*, *Model Research: The National Advisory Committee for Aeronautics, 1915-1958*, and (with Richard Preston and Sydney Wise) *Men in Arms: A History of Warfare and Its Interrelationships with Western Society*.

Users Review

From reader reviews:

Terry White:

People live in this new day of lifestyle always attempt to and must have the spare time or they will get lots of stress from both everyday life and work. So , whenever we ask do people have spare time, we will say absolutely of course. People is human not really a robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will certainly unlimited right. Then do you ever try this one, reading publications. It can be your alternative within spending your spare time, often the book you have read will be War in the Modern World.

Flora Godfrey:

Playing with family in the park, coming to see the sea world or hanging out with close friends is thing that usually you might have done when you have spare time, then why you don't try matter that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love War in the Modern World, you could enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout folks. What? Still don't obtain it, oh come on its identified as reading friends.

Amy Nichols:

That book can make you to feel relax. That book War in the Modern World was bright colored and of course has pictures on the website. As we know that book War in the Modern World has many kinds or type. Start from kids until young adults. For example Naruto or Detective Conan you can read and feel that you are the character on there. Therefore not at all of book tend to be make you bored, any it can make you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading that will.

Bruce Jackson:

Reading a publication make you to get more knowledge as a result. You can take knowledge and information from a book. Book is prepared or printed or illustrated from each source that will filled update of news. In this particular modern era like today, many ways to get information are available for a person. From media social such as newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just trying to find the War in the Modern World when you desired it?
