A Lady's Seduction [Highland Menage 3] (Siren Publishing Menage Everlasting) By Reece Butler

[Siren Menage Everlasting: Erotic Historical Menage a Trois Romance, M/F/M, HEA] Lady Alana Sinclair's father, the Earl of Caithness, banished her years ago after hearing lies that she was ruined. The truth was her cousin brutally beat her, leaving her for dead. Alana is now the Earl's sole surviving child. He orders her home to marry her cousin and produce grandsons. Cormac and James MacDougal fostered with the Earl. They knew Alana as a child and lusted after her as a maid but as penniless bastards they had no right to touch her. Expecting she has long married, she remains an impossible dream until they are hired to escort her from Fraser Castle to Caithness. They know her brutal cousin well, and will do anything to protect her. That includes allowing her to seduce them into marriage even though they know her father will not hesitate to kill them for disrupting his plans. But will Alana - and her husbands - be satisfied with a marriage of convenience? Or will they want far more... ** A Siren Erotic Romance

Editorial Review

From the Author

I absolutely loved exploring Castle Girnigoe near Wick, in the far north-east of Scotland. There is so much information available on the Earl of Caithness that I had to set a book here.

Alana Sinclair is a fictional character but her siblings did exist, and her father was complicit in the deaths of three of them. William of Braal Castle did exist, and he did kill an official while at university in Edinburgh, and was released without punishment.

He had to be the villain...

If you get the chance to visit Caithness in October, note that the Northern Lights are absolutely brilliant.

From the Inside Flap

A Lady's Seduction: Highland Menage 3

Lady Alana Sinclair's father, the Earl of Caithness, banished her years ago after hearing lies that she was ruined. The truth was her cousin brutally beat her, leaving her for dead. Alana is now the Earl's sole surviving child. He orders her home to marry her cousin and produce grandsons.

Cormac and James MacDougal fostered with the Earl. They knew Alana as a child and lusted after her as a maid but as penniless bastards they had no right to touch her. Expecting she has long married, she remains an impossible dream until they are hired to escort her from Fraser Castle to Caithness.

They know her brutal cousin well, and will do anything to protect her. That includes allowing her to seduce them into marriage even though they know her father will not hesitate to kill them for disrupting his plans.

But will Alana--and her husbands--be satisfied with a marriage of convenience? Or will they want far more...

Genre: Historical, Ménage a Trois/Quatre

From the Back Cover

The historical Clan MacDougall is descended from one of the sons of Somerled, 'King of the Isles', killed in 1164. At one time they possessed nine castles and over 250 square miles of land but they did not support the winning monarch and their land and castles were given to their ancient enemy, Clan Campbell.

In the fictional MacDougal clan in the late 16th century there are sixteen brothers under Laird Somerled MacDougal. He took over the clan as a youth because his father was too busy trysting with local women, ignoring his duties as laird.

Somerled insists his brothers, no matter how ragged and hungry, be brave men of honor, keeping their word no matter what, and are loyal to king and country. He's determined to end a 100-year curse by having his brothers marry women with dowries who will accept sharing a pair of brothers. Though they have little, the

sixteen MacDougals value women and insist they receive pleasure, rare in those times.

Women who eagerly share their bed with two men tend to be strong-minded and want their men even more powerful, though it may take them awhile to admit it...

Each set of brothers is featured in two consecutive books. The first leads them to marriage, love, and a HEA. The second brings trouble followed by a deepening relationship, true enduring love, and a HEA Forever.
