Canada and the British World: Culture, Migration, and Identity From UBC Press

In the aftermath of the Second World War, Canadian national identity underwent a transformation. Whereas Canadians once viewed themselves as British citizens, a new, independent sense of self emerged after the war. Assured of their unique place in the world, Canadians began to reflect on the legacies and lessons of their British colonial past.

Canada and the British World surveys Canada's national history through a British lens. In a series of essays focusing on discrete aspects of Canadian identity over more than a century, the complex and evolving relationship between Canada and the larger British world is revealed. From the 19th century's staunch belief in Canadians as Britons to the realities of modern multicultural Canada, this book eschews nostalgia in its endeavor to understand the dynamic and complicated society in which Canadians did and do live.

Candid and ambitious, *Canada and the British World* is recommended reading for historians and scholars of colonialism and nationalism, as well as anyone interested in what it really means to be Canadian.

Phillip Buckner is Professor Emeritus at the University of New Brunswick and a senior research fellow at the Institute of Commonwealth Studies in London. R. Douglas Francis is a professor of history at the University of Calgary.

Users Review

From reader reviews:

Vivian Nava:

Book is actually written, printed, or created for everything. You can recognize everything you want by a reserve. Book has a different type. To be sure that book is important thing to bring us around the world. Adjacent to that you can your reading expertise was fluently. A guide Canada and the British World: Culture, Migration, and Identity will make you to end up being smarter. You can feel far more confidence if you can know about anything. But some of you think in which open or reading the book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you looking for best book or ideal book with you?

Rodney Richardson:

What do you regarding book? It is not important to you? Or just adding material when you need something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to complete others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do in which. It said that about book. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this specific Canada and the British World: Culture, Migration, and Identity to read.

Colleen Greenwood:

This book untitled Canada and the British World: Culture, Migration, and Identity to be one of several books that will best seller in this year, that's because when you read this guide you can get a lot of benefit on it. You will easily to buy this kind of book in the book retailer or you can order it by means of online. The publisher of this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Cell phone. So there is no reason for you to past this publication from your list.

Shelly Reder:

This Canada and the British World: Culture, Migration, and Identity is great book for you because the content which is full of information for you who all always deal with world and also have to make decision every minute. This book reveal it data accurately using great organize word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with wonderful delivering sentences. Having Canada and the British World: Culture, Migration, and Identity in your hand like getting the world in your arm, facts in it is not ridiculous just one. We can say that no reserve that offer you world throughout ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. occupied do you still doubt in which?
