Cupcake By Rachel Cohn

Sassy and entertaining Cyd Charisse moves from San Francisco to New York City to start a new life—without her true love—in the “thoroughly satisfying conclusion to the saga” (*School Library Journal*).

Cyd wants to find a cool job, the city’s best caffeination and most perfect cupcake, and a hot new love. But the reality of her new life hits some unexpected obstacles, including a broken leg that renders her immobile; the joy and aggravation of sharing an apartment with a roommate who’s also an older brother; and a tasty selection of guys—none of whom measure up to Shrimp.

Then, just when Cyd starts to get her new life on track, her old love returns. Shrimp has given up on his plans to live and surf in New Zealand and arrives in NYC with nothing to do other than to be with her. And this time Cyd’s is determined that she and Shrimp will not repeat their old mistakes.

This third book about reformed hellion Cyd Charisse is just as unforgettable as *Gingerbread* and *Shrimp*.

Editorial Review

From Publishers Weekly

Irrepressible Cyd Charisse returns in a third novel that picks up right where *Shrimp* left off. CC is now 18 and living in New York's Greenwich Village with her half-brother, Danny, thinking about culinary school and reconsidering her "no contact" agreement with Shrimp, who is surfing and writing haiku in New Zealand. Her new life features ups and downs (she breaks her leg and drops out of culinary school, but also makes new friends and lands a job as a barista). When Shrimp arrives on her doorstep just in time for a Christmas surprise, CC must decide if she wants to continue building her own life or make one with the man she loves. This book once again covers a lot of ground, including CC's first fight with Danny, the death of a friend and a trip back to California to see her parents (and to track down Shrimp), but CC's authentic voice keeps the story grounded. Fans will appreciate that this installment features a more mature CC, who considers choices more carefully, even if she complains, "*What happened to us! We were once rebels! Proudly insolent teenagers!*" Readers may find it hard to believe that the book's unusual characters bond so strongly (such as CC's punk boss, Johnny Mold, and her uptight half-sister LisBETH) and they may well predict the outcome—but they will have fun watching CC's free spirit take on the Big Apple. Ages 13-up. (Feb).

From School Library Journal

Grade 9 Up—In this final installment in the series, Cyd Charisse, high school graduate, rejects a marriage proposal from her surfer boyfriend, Shrimp, who relocates to New Zealand with his parents, and follows her own dream of a new life in Manhattan. Tossed back into the life she first sampled in *Gingerbread* (S & S, 2002) when she visited her father, she is determined to find her niche in the city that promises to deliver the "perfect espresso shot" she craves. Readers will once again be captivated by Cyd's hip language and sophisticated take on life. She and her New York family, including her gay, cupcake-baking half brother and ambitious, man-hunting half sister, are perfect foils for one another. She dominates the novel with her strong, effervescent personality, and readers are drawn inside the mind of this unforgettable young woman. Fans of the Cyd/Shrimp love story will not be disappointed with this thoroughly satisfying conclusion to the saga.—Caryl Soriano, *New York Public Library*

From [Booklist](#)

Following *Gingerbread* (2002) and *Shrimp* (2005), the latest adventure of antihero Cyd Charisse picks up Cyd's story after she has graduated high school and moved in with her gay older brother, Danny, to help with the cupcake business he runs out of his Greenwich Village apartment. CC is supposed to be attending culinary school but is distracted by new friends and her unending search for the perfect cup of NYC espresso. Then former boyfriend Shrimp, who left after CC turned down his marriage proposal, shows up unexpectedly. Shrimp and CC are drawn back into their tug-of-war relationship, which will be sweet agony for fans who have rooted for the two from the beginning. Candid talk about love and sex and some sexual situations make this a book for older teens, but audience aside, Cohn remains at the top of her wordy, pop-culture game in what has turned out to be a stylishly hip series. *Jennifer Hubert*

Users Review

From reader reviews:

James Roberts:

The book Cupcake can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book Cupcake? A few of you have a different opinion about guide. But one aim in which book can give many facts for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or data that you take for that, it is possible to give for each other; you are able to share all of these. Book Cupcake has simple shape but you know: it has great and massive function for you. You can search the enormous world by open up and read a reserve. So it is very wonderful.

John Jones:

Here thing why this kind of Cupcake are different and trustworthy to be yours. First of all reading a book is good but it really depends in the content from it which is the content is as tasty as food or not. Cupcake giving you information deeper including different ways, you can find any guide out there but there is no reserve that similar with Cupcake. It gives you thrill reading journey, its open up your eyes about the thing which happened in the world which is probably can be happened around you. You can bring everywhere like in recreation area, café, or even in your way home by train. When you are having difficulties in bringing the imprinted book maybe the form of Cupcake in e-book can be your alternative.

Thomas Dacosta:

Do you have something that you like such as book? The guide lovers usually prefer to select book like comic, quick story and the biggest some may be novel. Now, why not trying Cupcake that give your enjoyment preference will be satisfied by means of reading this book. Reading habit all over the world can be said as the method for people to know world considerably better then how they react when it comes to the world. It can't be explained constantly that reading addiction only for the geeky person but for all of you who wants to end up being success person. So , for every you who want to start examining as your good habit, you can pick Cupcake become your personal starter.

Helen Albertson:

Is it anyone who having spare time and then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This Cupcake can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?
