Infographics: The Power of Visual Storytelling By Jason Lankow, Josh Ritchie, Ross Crooks

Transform your marketing efforts through the power of visual content

In today's fast-paced environment, you must communicate your message in a concise and engaging way that sets it apart from the noise. Visual content—such as infographics and data visualization—can accomplish this. With DIY functionality, *Infographics: The Power of Visual Storytelling* will teach you how to find stories in your data, and how to visually communicate and share them with your audience for maximum impact.

Infographics will show you the vast potential to using the communication medium as a marketing tool by creating informative and shareable infographic content.

- Learn how to explain an object, idea, or process using strong illustration that captures interest and provides instant clarity
- Discover how to unlock interesting stories (in previously buried or boring data) and turn them into visual communications that will help build brands and increase sales

Use the power of visual content to communicate with and engage your audience, capture attention, and expand your market.

Editorial Review

From the Back Cover

The explosion of data created and content shared in the Information Age has fundamentally changed the way we communicate today. Infographics and data visualization can convey your message in a concise and engaging way that sets it apart from the noise. *Infographics: The Power of Visual Storytelling* shows you how to use visual communication to attract, inform, and even entertain your audience.

These tools can help us understand complex concepts easily and provide insights that lay hidden in raw data. *Infographics* provides easy-to-follow and actionable tips and strategies to create compelling and shareable visual content, including:

- The various forms that information design and data visualization take, including static, interactive, and motion graphics, and best practices for the use of each.
- Social media strategies for distributing and promoting your content to make sure people see it—and more important, share it.
- The dos and don'ts of information design, enabling you to guide the process of creating them to be interesting, accurate, and effective.
- Coverage of emerging trends, technologies, and the myriad applications of infographics in the not-so-distant future.
- With *Infographics*, you'll be able to transform previously buried or boring data into captivating visuals that can build your brand visibility, garner an engaged following, and grow your sales.

About the Author

Lankow, Crooks, and Ritchie are the three cofounders of Column Five, a leading creative agency specializing in infographic design, data visualization, and social PR. They have worked with hundreds of clients representing a range of industries, such as GE, Intuit, Microsoft, Sony, eBay, and the World Bank. Their work has been featured in *Fast Company*, the *Atlantic*, *TIME*, *Forbes*, the *Wall Street Journal*, and *GOOD* magazine. They speak on the subject of infographics frequently, including recent talks at the Federal Reserve and AIGA (American Institute of Graphic Arts), and teach a course on Visualization of Information at Columbia University.

Users Review

From reader reviews:

George Bolin:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, the actual best subject for that? Only you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't need do that. You must know how great along with important the book *Infographics: The Power of Visual Storytelling*. All type of book are you able to see on many resources. You can look for the internet resources or other social media.

Robert Wilkerson:

The reason? Because this Infographics: The Power of Visual Storytelling is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book possess such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the publication store hurriedly.

Christopher Hendrick:

This Infographics: The Power of Visual Storytelling is great e-book for you because the content that is certainly full of information for you who have always deal with world and have to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tricky core information with splendid delivering sentences. Having Infographics: The Power of Visual Storytelling in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen moment right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. occupied do you still doubt that will?

Marcella Cook:

A number of people said that they feel fed up when they reading a reserve. They are directly felt the idea when they get a half portions of the book. You can choose the particular book Infographics: The Power of Visual Storytelling to make your own personal reading is interesting. Your own personal skill of reading ability is developing when you including reading. Try to choose simple book to make you enjoy to see it and mingle the idea about book and studying especially. It is to be initial opinion for you to like to start a book and go through it. Beside that the reserve Infographics: The Power of Visual Storytelling can to be your brand-new friend when you're really feel alone and confuse with the information must you're doing of that time.
