### Taken by the Tycoon By Normandie Alleman

He reminds me of the men who grace the walls of stores where my daughter shops. Men with rippling abs and sinewy ropes of muscles. Men intended for younger women.

I never expected him to notice me. Imagine my surprise when he cornered me in the locker room, pressed his incredible body against mine, and forced me to acknowledge a desire more powerful than anything I'd experienced before.

Now that he has introduced me to the pleasures of being dominated, he wants to possess me completely. But how can I risk my heart, when I know his affection will never last?

Publisher's Note: Taken by the Tycoon is an erotic romance novella that includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
