The Heroic Slave By Frederick Douglass

The Heroic Slave was Frederick Douglass' only piece of fiction. He wrote it in response to the Rochester Ladies' Anti-Slavery Society's request for a submission to be included in their anthology Autographs for Freedom. The Heroic Slave is a retelling of an actual rebellion led by Madison Washington on the slave ship Creole. Douglass shows how the rebellion is part of a revolution and therefore fundamentally American.

Editorial Review

About the Author

Frederick Douglass (1818–1895) was an American social reformer, orator, writer and statesman. After escaping from slavery, he became a leader of the abolitionist movement, gaining renown for his dazzling oratory and incisive antislavery writing. He stood as a living counter-example to slaveholders' arguments that slaves did not have the intellectual capacity to function as independent American citizens. He became a major speaker for the cause of abolition. In addition to his oratory, Douglass wrote several autobiographies, eloquently describing his life as a slave, and his struggles to be free. His classic autobiography, *Life and Times of Frederick Douglass*, is one of the best known accounts of American slavery. After the Civil War, Douglass remained very active in America's struggle to reach its potential as a "land of the free". Douglass actively supported women's suffrage. Following the war, he worked on behalf of equal rights for freedmen, and held multiple public offices. Douglass was a firm believer in the equality of all people, whether black, female, Native American, or recent immigrant. He was fond of saying, "I would unite with anybody to do right and with nobody to do wrong."
