UNFAIR: Christians and the LGBT Question By John Shore

Shore is one of America's leading Christian writers on the subject of gay people and Christianity. His essays are widely credited with being central to the sea change in Christian thinking that has occurred on this issue in recent years. UNFAIR offers the best of Shore's writings on homosexuality and Christians/Christianity, along with heart-wrenching but ultimately inspiring letters from gay people telling what it's like to grow up, and live today, both gay and Christian. The book's opening essay, "Taking God at His Word: The Bible and Homosexuality," is a must-read for anyone seeking clarity on the relationship between the Bible, Christianity, and LGBT people. If you read only one book on this subject, make it this one. (This is the revised and updated edition of Shore's book, "UNFAIR: Why the 'Christian' View of Gays Doesn't Work.")

Editorial Review

Review

"Should be required reading for any Christian who claims that gay people can't also be Christians--and for LGBT people who feel there's some conflict between their sexual orientations or gender identities and their faith. John Shore is sharp, he's funny, and he's right. To find out why I've called him America's preeminent non-douchey Christian, buy and read this book." -- Dan Savage, founder, It Gets Better

"Amen! A book that gives voice to the thousands of lesbian, gay, bisexual, transgender and questioning people who have been told they must sacrifice their identity to be Christian" -- Believe Out Loud

"For most of us, the fact that gay kids growing up in evangelical homes are made to feel worthless, unloved and unwanted is just plain depressing. For John Shore, it's a challenge-an opportunity to teach, to preach, to gently mock, and, most importantly, to throw the love of Jesus right back at evangelicals." -- Randy Roberts Potts

"As a former conservative evangelical, and now progressive pastor, I have studied the issue of homosexuality for years. I can say that without a doubt this book is the best treatment of the subject that I have ever read. This should be on the desk of every pastor, teacher or youth leader." -- Roger McClellan, The Progressive Christian Alliance
