Sometimes, even the gods can't change their fate...

Vegas is not where Karly had imagined herself to be at this point in her life. She was supposed to be living in California, soaking up the sun and enjoying the life of an artist. Instead, she's just moving out of her parent's house and going to a school that could loosely be called her second choice. When she meets Zeus Drakos, owner of the new hit casino and resort in town, he seems just like every other jerk guy out there. How was she supposed to know who he really was?
