Affliction (Anita Blake, Vampire Hunter Book 22) By Laurell K. Hamilton

Micah's estranged father lies dying, rotting away inside from some strange ailment that has his doctors whispering about "zombie disease."

Anita Blake makes her living off of zombies—but these aren't the kind she knows so well. These creatures hunt in daylight, and are as fast and strong as vampires. If they bite you, you become just like them. And round and round it goes...Where will it stop? Even Anita Blake doesn't know.

Editorial Review

From Publishers Weekly

Anita Blake, vampire hunter, is back in this exciting and sexy installment of the bestselling paranormal series. Facing zombies is part of Blake's job description as a necromancer, but rarely does she deal with the flesh-eating kind made popular by Hollywood movies. All that changes when Blake accompanies her lover, Micah, to his father's potential deathbed in Colorado; there she faces a kind of zombie she's never seen before: they're fast, cunning, contagious, and hungry for humans. While it occasionally gets bogged down by dialogue, overall Hamilton's latest is a meticulously plotted story featuring fantastically creepy action mixed with flirtatious sex scenes, making it the perfectly addictive read. Her take on zombies is invigorating—even for the purest of horror fans—it's no wonder readers keep coming back for more. . Hamilton also manages to embed contemporary issues in with the fast-pace action,; addressing sexism, homophobia, religious fundamentalism, and racism from fresh and unusual perspectives. (July)

From [Booklist](#)

In the twenty-second volume of the Anita Blake, Vampire Hunter novels, Hamilton keeps the horror churning while returning to the emphasis on relationships that made her the original queen of paranormal romance. A sheriff in Colorado, the estranged father of her beloved Micah (a were-leopard and leader of the Coalition), is dying from a zombie bite. The story seems unbelievable, but Anita, in her role as a U.S. marshal in the preternatural branch, ends up going after a new type of fast zombie with a bite that causes victims to start rotting from the outside in. These zombies also have the ability to keep on going even when shot to pieces. Heck, they can even reassemble themselves when cut up like confetti. Edward, another marshal, turns up, wondering why he wasn't invited to the zombie apocalypse. BDSM and group sex are part of the story since Anita's powers are fed by it. It looks like Anita, her were-animal lovers, and the vampire king of St. Louis are taking their relationships to the next level in this cross-genre tale. --Diana Tixier Herald

Review

Praise for Laurell K. Hamilton's *Anita Blake, Vampire Hunter* novels:

“Long before Stephenie Meyer’s *Twilight* series and Charlaine Harris’s *Sookie Stackhouse* novels, [there was] sexy, strong-willed vampire hunter Anita Blake.”—*USA Today*

“Laurell K. Hamilton is the reigning queen of the urban fantasy world.”—*Midwest Book Review*

“Hamilton remains one of the most inventive and exciting writers in the paranormal field.”—Charlaine Harris
