### **Editorial Review**

#### **Review**

, Joshua Lynch, Third-Year Medical Student, LECOM-Bradenton, Florida -- "The book overall was amazing. It is the only book I am aware of that incorporates osteopathic principles and anatomy into a user friendly review book! There is one other Osteopathic review book that I know of by Robert Savarese, DO but it doesn't include as much anatomy as this does."-Joshua Lynch, Third-Year Medical Student, LECOM-Bradenton, Florida

#### **About the Author**

Rupen Modi and Naishadh Shah are both currently fourth year osteopathic students at the NY College of Osteopathic Medicine (NYCOM). They were both selected as Undergraduate Teaching Fellows at NYCOM (a merit based scholarship). Modi is a Fellow for the Department of OMM and Shah is a Fellow for the Department of Anatomy. Under the fellowship program they will invest an extra year teaching their respective subjects to the first, second and third year NYCOM students before graduating in 2005. They are also enrolled in the School of Management at the NY Institute of Technology, and are anticipating completion of their MBAs by 2004.
