Decoding Rahul Gandhi By Aarthi Ramachandran

In a bid to demystify 'Brand Rahul', Decoding Rahul Gandhi chronicles his political path, which is different from that pursued by his mother Sonia, father Rajiv, and grandmother Indira. Although the 42-year-old Rahul has borrowed a few elements from them, he has carefully and deliberately added new ideas, strategies and practices from the world of business and management. Rahul's philosophy is a form of corpo-politics, where management principles are applied to political leadership, and socio-politics, where beliefs in inclusive growth are ingrained in overall strategies. Why have Rahul's plans flopped so far? His initiatives to inculcate 'internal democracy' in the Congress' youth and student wings were well-intentioned, but lacked a clear-cut thrust and have failed to grapple with realpolitik. Decoding Rahul Gandhi is based on dozens of interviews with political actors, members of Rahul's team in the Indian Youth Congress (IYC) and National Students' Union of India (NSUI), and his friends and acquaintances. Coupled with in-depth reportage of his electoral and political campaigns, the book establishes how Rahul's politics is riddled with inconsistencies, symbolism and an opportunistic, rather than committed, engagement with national issues. The book throws light on the factors that have shaped him as a person and politician. It details his working style, which is nearer to a CEO of a Fortune 500 company, and the role played by the members of his A-Team (which includes Kanishka Singh and Sachin Rao). • How did Rahul Gandhi's years abroad as a student and as a management consultant influence his politics? • What was his much-hyped revamp of the IYC and the NSUI all about? • What are the reasons for the Congress' and Rahul's humiliating defeat in the 2012 Uttar Pradesh assembly elections? • How has he applied global management principles, like 'The Toyota Way' and 'Bottom of the Pyramid', to domestic politics? • Prime Minister Rahul Gandhi – what would this mean for India?

Editorial Review

About the Author

Aarthi Ramachandran is a political journalist who has worked with leading Indian newspapers such as The Economic Times and Business Standard. She has written about the Congress for the past seven years and tracked Rahul Gandhi's political career closely. She is now a freelancer, attempting the transition from being a fulltime journalist to a full-time mother. She lives in Delhi with her husband and daughter

Users Review

From reader reviews:

Lois Araiza:

Information is provisions for folks to get better life, information today can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is within the former life are challenging to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Decoding Rahul Gandhi as your daily resource information.

Lana Alvis:

Decoding Rahul Gandhi can be one of your beginner books that are good idea. We recommend that straight away because this reserve has good vocabulary that will increase your knowledge in terminology, easy to understand, bit entertaining but still delivering the information. The article author giving his/her effort to place every word into joy arrangement in writing Decoding Rahul Gandhi nevertheless doesn't forget the main position, giving the reader the hottest in addition to based confirm resource information that maybe you can be certainly one of it. This great information may drawn you into new stage of crucial imagining.

Grant Rickard:

Your reading sixth sense will not betray anyone, why because this Decoding Rahul Gandhi book written by well-known writer we are excited for well how to make book which can be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still uncertainty Decoding Rahul Gandhi as good book but not only by the cover but also through the content. This is one guide that can break don't assess book by its include, so do you still needing a different sixth sense to pick this kind of!? Oh come on your studying sixth sense already alerted you so why you have to listening to one more sixth sense.

William Kozak:

This Decoding Rahul Gandhi is great publication for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great coordinate word or we can state no rambling sentences within it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but challenging core information with lovely delivering sentences. Having Decoding Rahul Gandhi in your hand like getting the world in your arm, details in it is not ridiculous a single. We can say that no book that offer you world within ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?
