## Doctor Dealer: The Rise and Fall of an All-American Boy and His Multimillion-Dollar Cocaine Empire By Mark Bowden

Doctor Dealer is the story of Larry Lavin, a bright, charismatic young man who rose from his working-class upbringing to win a scholarship to a prestigious boarding school, earn Ivy League college and dental degrees, and buy his family a house in one of Philadelphia's most exclusive suburbs. But behind the facade of his success was a dark secret -- at every step of the way he was building the foundation for a cocaine empire that would grow to generate over \$60 million in annual sales. Award-winning journalist Mark Bowden tells the saga of Lavin's rise and fall with the gripping, novelistic narrative style that won him international acclaim as the author of the New York Times best-seller Black Hawk Down. "Immensely readable . . . eye-popping . . . a smoothly crafted, exciting, can't-put-it-down book." -- Louisville New Voice

### **Editorial Review**

From Publishers Weekly

A most unlikely drug kingpin, Dr. Larry Lavin was a Philadelphia dentist at the time of his arrest and subsequent sentencing to a 42-year prison term. But Philadelphia Inquirer reporter Bowden has done an exceptional job of showing how family background and the yuppie culture of the '70s and '80s combined to produce one of the East Coast's biggest cocaine dealers. The son of a man who had once been well-to-do but continued to try to maintain an upper-class lifestyle on a lower-middle-class income, Lavin was a brilliant scholarship student at Phillips Exeter, but was expelled for drug use. Accepted to the University of Pennsylvania, he became the biggest marijuana dealer on campus, at a time when more than half the students, Bowden estimates, were using pot. Then came cocaine and profits ranging into the millions, with an organization that involved dozens of people. Eventually, however, Lavin's flamboyant spending led authorities to suspect him. A notable, in-depth look at a figure who, even after his apprehension, was able to rationalize his criminality on the grounds that he was only supplying a demand.
