Edie: Girl on Fire By David Weisman, Melissa Painter

Now in paperback this is the real story of Edie Sedgwick: model, film star, socialite, friend, lover, and addict; first "it" girl of Andy Warhol's Factory and later muse to Bob Dylan. David Weisman filmed Edie for the last years of her life in his cult film *Ciao! Manhattan*. After uncovering lost footage, he was inspired to create *Edie: Girl on Fire*, a book and a documentary film that explore Edie's true story, in the process unearthing hundreds of unpublished photos and interviewing many of Edie's surviving intimates. A rebuttal to Hollywood's highly fictionalized *Factory Girl*, this is an insightful and startling portrait of a woman that nobody quite knew.

Editorial Review

From Publishers Weekly

Raised to stardom by Andy Warhol, Edie Sedgwick embodied art, drugs and fashion in '60s New York. A new feature film and a documentary coming this winter, and multiple books, attest to her legacy. This candid biography by Weisman, a codirector of her film *Ciao! Manhattan*, and co-writer Painter surpasses the others, like *Edie Factory Girl* (VH1 Books, Oct.). Moving from her dysfunctional, blue-blood New England upbringing to death in the grip of addiction, the book showcases 250 images interspersed with anecdotes from stars like Bob Dylan and George Plimpton, and an audio CD of Edie's final interviews.
