## Glimmer By Beth Kery

**From the *New York Times* bestselling author of *Because You Are Mine*, a scorching new novel about forbidden desire...**

After graduating from her M.B.A. program, Alice Reed is surprised when she's recruited for the management training experience at legendary Camp Durand, owned by Durand Inc.'s young, billionaire CEO, Dylan Fall. The company usually recruits from Ivy League schools, not insignificant colleges like Alice's.

Alice enthusiastically accepts, but she still wonders why Dylan would choose a girl from the wrong side of the tracks for the prestigious program. But after a passionate encounter one night, she discovers exactly why—Dylan *wants* her, and Alice can hardly resist his fierce sexual appetites, though she is amazed that she could appeal to an experienced, sophisticated man like Dylan.

As Dylan introduces her to thrilling, erotic territory, Alice discovers a delicious new part of herself. Night after night, she steals away to find ecstasy and escape in Dylan's arms. But behind her lover's powerfully magnetic facade, Alice senses darkness, secrets from Dylan's past lurking in his beautiful, lonely mansion—secrets that are starting to haunt Alice. And the ghosts of the truth might tear Dylan and Alice apart forever . . .

From the Author

*Dear Reader,*

Thank you for the interest in GLIMMER, and its sequel GLOW. I think of Alice Reed's story as an erotic contemporary romance, true, but this tale also possesses an intriguing combination of suspense, a coming-into-one's own element, as well as a mysterious, eerie quality, at times. If that's not enough, I'd say there's a hint of modern-day Cinderella to Alice, as well. GLIMMER may just be that fresh, unique romance you've been craving. I hope so!
