Hospital Administration and Human Resource Management, By D.K. Sharma, R.C. Goyal

This book vividly covers the principles and objectives of management including the financial administration of a hospital. It is essential ... for the hospital administrators and students of hospital management.

—Swaraj Halder, Hon. Editor,

Journal of Indian Medical Association, Kolkata

This book in its sixth edition continues to discuss in detail the various methods of organizing a hospital's Human Resource Department. It also shows how the use of scientific techniques can improve the services of the hospital and ultimately benefit the patients as well as the hospital itself. The new edition is incorporated with two new chapters on Patient Safety and Hospital Information System. The book is further updated with new Supreme Court Judgements on Consumer Protection. The book is intended for the undergraduate students of Nursing, and postgraduate students of Health Administration and Public Health.
