Secret Submission

When Phillip asks Sarah if she is a compliant sort of woman who will do anything he asks of her, she plays along, wanting a bedroom romp that will quiet the urges within her. But Phillip has much more in mind. As he introduces Sarah to the world of bondage and submission, she discovers a need to be dominated. Phillip invites her to explore her sexuality each weekend at his cottage—as his slave. The question is, how willing is she to give up her hard-earned independence?

Submission Revealed

Sarah and Phillip are planning their marriage and exploring the boundaries of an extreme Dominant/slave relationship. As Phillip opens the doors to Sarah's submission, she discovers places she had buried deep within herself. Under his guidance, she will become the woman she has always yearned to be. But chaos ensues when Sarah's secret submissiveness is revealed to the world, and Phillip's dominance is considered abuse when the law gets involved with their sex lives. They are forced to defend their most private actions.
