This Riddle Book Will Give you Clues to Help you Solve the Riddles!

Let's assume that you are the type of person who thinks really hard to solve a riddle because you don't like giving up easily. If a friend told you a riddle, normally you would ask him for a clue before giving up and ask for the answer. So why not get a little help for a riddle book, too?

Even if you think a riddle is hard, getting a clue before seeing the answer will make the game much more interesting and fun.

This riddle book is **specially formatted to provide clues with a simple click**, before providing the answer! For each question, click on “Give me a Clue” to get a little bit of help. If you are certain about the answer, ignore this and go straight to “Show Answer”. Then you can “Go to the Next Riddle”.

Why this Book is a Great Buy!

Challenge yourself, your friends, partner or family and have some fun exercising your brain at the same time!

Here is why you are going to enjoy everything about this book:

- You can ask for a clue before seeing the answer which is really great and makes the game a lot more fun!
- It is very easy to use, even when you are on your daily commute or waiting in public.
- It is easy to navigate between questions, answers and clues!
- All riddles are smart and interesting
- The riddles are neither too easy nor too difficult. The difficulty level is appropriate for beginner adults or teens, and even for smart kids. (If you are an advanced solver, please “look inside” the book to decide if the difficulty level suits you).
- You can play alone or together with your friends and family (fun guaranteed!)

What you will Find in this Book

Each one of the 100 riddles is hyperlinked to a clue and to the solution, and that provides a maximum ease of navigation.

This book contains some of the world’s most famous riddles, and also many lesser known gems.

This collection contains:

"How is this possible?" riddles

Recently a mother gave birth to two girls on the same day, at the same time, in the same month and year and yet they're not twins.

How is this possible?

Lateral Thinking riddles

How can you alter the following equation by a single stroke (straight line) to make it correct?

$$5 + 5 + 5 = 550$$

Logic riddles

A woman was horrified to find a fly in her tea. The waiter took her cup and went into the kitchen and returned with a fresh cup of tea. She shouted, "You brought me the same tea!" How did she know?

Word riddles

There is a word in the English language in which the first two letters signify a male, the first three letters signify a female, the first four signify a great man, and the whole word, a great woman. What is the word?

"Think out of the box" riddles

Six glasses are in a row. The first three are full of wine and the second three are empty. With one move only, can you arrange them so empty and full glasses alternate?

"What am I?" riddles

I am pronounced as one letter, but written with three. Me and my twin brother are blue, brown or green. What am I?
