### **Editorial Review**

#### **Review**

The Soldiers - like the Academy-Award winning movie Dances with Wolves, gives one a look at life through the Indians' eyes. Through stories handed down from their forefathers, the authors present an intriguing and captivating account of the darkest day in the 7th Cavalry's history. --Kurt Repanshek - Associated Press

#### **About the Author**

Joseph Marshall III, an Ogala/Sicangu Lakota Sioux, details the oral tradition of how his tribal ancestors fought the 7th Cavalry at the Battles of the Rosebud and the Little Big Horn. Two of Mr. Marshall's great-uncles were there on that fateful June day in 1876. Professor Frederick Voget Lefthand, a Crow Tribal Leader and historian, narrates the oral tradition of how the Crow scouts rode and fought and died alongside elements of the 7th Cavalry. Frederick Lefthand is related to Mitch Bouyer, Gen. George A. Custer's chief scout. Robert Kammen, a relative of one of the soldiers in the 7th Cavalry who perished, authored over forty books on the West as well as in associated genres. The Watcher, which was published by Random House, was nominated by Western Writers of America for Best Western Novel of the Year. Randy Galloway, renowned Arizona artist and Southwestern naturalist created the stunning covers, chapter heading artwork and book layout.
