Editorial Review

Review

"A satisfying addition to the Stanley the Hamster series." --*Booklist Online*

"Children will be able to easily point out squares, circles, and rectangles in the depictions of different grocery items, store fixtures, and character features. Describing each employee's responsibility during a typical shopping day, this story shows how employees in an organization work as a team to enable it to function. A terrific toddler time choice with loads of appeal for Stanley fans and those new to the series. "
