**Bound by Revenge (Moon Bound Series) (Volume 2)** By Mandy Lou Dowson

Revenge is a dish best served cold. And Donovan has a huge serving of it for one female in particular. He intends to find her and make her pay. But will he find her before the deadly poison in his blood gets him? Running on empty, his body no longer obeying his commands, he must rely on others to keep him alive just long enough to see his plan come to fruition. There is one she-wolf who will be his touchstone. Together, they are stronger. Together, they might just survive. As the darkness swallows him whole, she will be his saviour. There's only one problem -- he's not interested in being saved. A choice lies before him -- revenge or love - - but with his heart closed to emotion, his choice may already be made. Hatred is what drives him. But will his vengeance keep him warm at night?
