**Clinical Examination: Pocket Guide** By Owen Epstein, etc., G. David Perkin, John Cookson, David P. de Bono

Derived from its parent book "Clinical Examination" by Epstein et al, this pocket book is designed to be of use as a review guide for those who have used the big textbook. In its own right, it is expected to be a useful memory aid for nurses, physios, paramedics and medical students. The book covers most of the parent book in note form, omitting anatomy and physiology and colour photos. There is a summary of the examination of adult and child and focus is placed on questions to ask and possible diagnosis.
