## Four Things Women Want from a Man By A. R. Bernard

After decades of preaching, teaching, and counseling, influential Christian leader A.R. Bernard reveals the four qualities women want in a man—qualities that make for a satisfying and happy relationship.

As a longtime pastor of a big-city church, A.R. Bernard has witnessed couples in every stage of life. He's been with them as they experienced dizzying joys, unspeakable tragedies, and everything in between.

As men and women have come to Bernard for spiritual counseling and advice, he's learned patterns of behavior that are repeated time and again. After almost four decades of preaching, teaching, and counseling, he's seen that while every situation is unique, people's behaviors and consequences are amazingly consistent. With this in mind, Bernard has developed a simple system for understanding how couples relate to each other.

Maturity, decisiveness, consistency, and strength—these are the four things women want and need most from a man. In his book, Bernard teaches readers how to identify and cultivate these traits toward a happy and long-lasting relationship—one built to weather any storm.
