Investing for Dummies - UK By Tony Levene

The easy way to demystify the intimidating world of investing in the UK market

Think investing is only for the super-rich? Think again! Packed with tons of expert advice, *Investing For Dummies UK 4th edition* shows you step-by-step how to make sound, sensible investment choices—whatever your budget. All the major investment categories are covered for the smart beginner, while more advanced and alternative investments are presented for the more adventurous and experienced. Wherever you fall on the investing spectrum, there's something for you!

This new UK edition of *Investing For Dummies* has been updated with the latest financial information, including all the new trends and developments that have affected the world of investment, with an emphasis on the new pensions legislations and changes to Individual Savings Accounts. Whether you're interested in assessing your financial means, gauging risks and returns or increasing your personal wealth, with the help of this friendly guide, you no longer need to work in finance to make sense of the facts and figures behind your investments!

- Offers tips on how to minimize the risk of investment gambles
- Covers the FCA's more stringent risk analysis for investors using advisers
- Contains new sections on pensions, ISAs, the DIY/self-directed investor, and ultra-low interest rates
- Includes new online templates to help simplify the investing process

If you want to go it alone in the investment arena, but need the support of a straightforward, reassuring guide to help you make the best decisions—and get the highest returns from your investments—this is the book for you.

Editorial Review

From the Back Cover

Learn to:

- **Make sound investment choices, whatever your budget**
- **Minimize the risk of investment gambles**
- **Differentiate between the major investment categories**
- **Understand the new changes to pensions and ISAs, and keep track of the ultra-low interest rates**

Demystify the intimidating world of investing

Think investing is only for the super-rich? Think again! Written in plain English and packed with expert advice, this friendly guide shows you step-by-step how to make sound, sensible investment choices. Whether you're interested in gauging risks and returns or increasing your personal wealth, this book does the groundwork for you.

- **Step onto the money trail** — assess your personal wealth, find out how you've probably been investing already and get to know five basic investment choices
- **What makes an investor tick?** — understand investor psychology, look at the emotions that drive investors and debunk the 'stock market as a casino' mentality
- **Bonds! Shares and bonds** — discover how stock markets work, explore common investor styles, get down to the bottom line on bonds and go for gold and other commodities
- **Put the "I" in investments** — get the lowdown on collective investments and pension funds, select the best trust for you, invest in your retirement and hedge your fund bets
- **Property investment 101** — buy to let like a pro with tips on borrowing, mortgages, finding the right location and attracting the right tenants

Open the book and find:

- **Easy-to-follow investment basics**
- **How to save without sacrificing**
- **Options for paying into a pension plan**
- **Investment principles you should never forget**
- **How stock markets work**
- **The scoop on unit and investment trusts**
- **When you should find a financial advisor or broker**
- **Random-choice, modern and hybrid portfolio theories**
- **Where to turn for further trusted guidance**

Stephen Stovall:

Your reading 6th sense will not betray anyone, why because this Investing for Dummies - UK guide written by well-known writer who really knows well how to make book which can be understand by anyone who have read the book. Written with good manner for you, still dripping wet every ideas and writing skill only for eliminate your personal hunger then you still question Investing for Dummies - UK as good book not only by the cover but also with the content. This is one guide that can break don't judge book by its protect, so do you still needing an additional sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listening to another sixth sense.

Donald Fujita:

You can obtain this Investing for Dummies - UK by go to the bookstore or Mall. Simply viewing or reviewing it might to be your solve challenge if you get difficulties for your knowledge. Kinds of this guide are various. Not only through written or printed but in addition can you enjoy this book by e-book. In the modern era including now, you just looking by your mobile phone and searching what your problem. Right now, choose your own ways to get more information about your book. It is most important to arrange you to ultimately make your knowledge are still change. Let's try to choose suitable ways for you.

Sandra Williams:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Investing for Dummies - UK can make you sense more interested to read.
