Left for Dead By Kevin O'Brien

Something She Can't Remember

When Claire Shaw wakes in a Seattle hospital, she remembers nothing of what has happened to her. She doesn't recognize the concerned faces of her husband and friends. She knows only that she is lucky to be alive, the single surviving victim of a vicious serial killer.

Someone Who Won't Forget

She was a mistake--not like the others. She didn't understand. That was obvious now. But she would come to understand. Next time, there would be no escape--and her eyes would fill with that perfect, beautiful terror. . .

Some Things You Can't Imagine

On an island isolated from the mainland, Claire has returned to a life she barely knows anymore. A town that feels as if it, too, is hiding something in its dark woods, remote cabins, and chilly smiles. Bit by bit, Claire's memory is taking terrifying shape in a place where fear is very much at home. . .

Praise for the Novels of Kevin O'Brien

"Another taut page-turner."--*Seattle Post-Intelligencer*

"O'Brien does what he does best: keeping the suspense at unbelievably high levels."

--*The Midwest Book Review*

"Imaginative, well written. . .add this book to your summer reading list."

--*Times Record News* (Wichita Falls, Texas)
