LongWalkers: The Return of the Nephilim By Stephen Quayle, Duncan Long

Before history, giants and fallen angels ruled the Earth as gods – until mankind revolted in a colossal battle, banishing the bloodthirsty creatures.

But now Joshua Kincaid has made an alarming discovery: Some of the giants are still alive, kept in secret underground caverns in suspended animation, waiting to be revived. Worse, a secret society operating outside the law is intent on bringing the monsters back to life and restoring the creatures as rulers of mankind.

Joshua and his ex-girlfriend soon find themselves pitted against vicious assassins, Russian Spetsnaz troops, and cold-blooded giants hungry for human flesh as they journey around the planet in their efforts to stop the secret society.

But that's only the start of their nightmare: Those reviving the army of giants have gained control of ancient stargates enabling an invasion of the seats of power around the globe including the Kremlin and White House. It's a massive power play that leaves the fate of the human race hanging in the balance.

This fast-paced, spellbinding novel is a page-turner, with entertaining plot twists and surprises.

“Adventure and mayhem, told with style!”

“The characters showed personality and the book had imagination. I felt like I was watching a movie. The story line was great.... If you enjoy Stargate type movies I believe you'll like this book.”
