**Lost Nowhere: A journey of self-discovery in a fantasy world** By Phoebe Garnsworthy

Lily doesn't like change although it seems to follow her everywhere she goes: change of house, change of school, change of friends. She does a pretty good job at rejecting it every chance she gets, but when she stumbles upon an enchanted world full of crystal stone beaches, mermaids, and witches, everything moves faster than she can even perceive possible. And no one seems to be bothered by it! She has two choices—stay in misery on her own, or learn how to surrender. Lost Nowhere is a poetic fantasy, woven with spirituality and magical realism, that will encourage readers to learn how to accept fate and love themselves. Lost Nowhere is a must-read for anyone who has questioned what life is and why we are here.

#### **From the Author**

I wrote this book to remind you how beautiful life is.

At times of grief or sadness I wanted to let you know that you are not alone.

That life will always be full of both good and bad experiences and that we need to learn to accept them all.

Lost Nowhere is a self-help book written in a fantasy way.

As the main character develops and evolves, you will too - after all, the world around us is a reflection of the world inside us.

And as you explore this magical world all of your senses will be delighted.

You will meet mystical creatures, mermaids and witches, alchemists and shamans and crystal stone beaches, explore fractals and chakras, teleportation, parallel universes and the list goes on....!

The depth of how you understand reality will reveal your journey inside this world.
