Maurice a Novel By E.M. FORSTER

Set in the elegant Edwardian world of Cambridge undergraduate life, this story by a master novelist introduces us to Maurice Hall when he is fourteen. We follow him through public school and to Cambridge, and on into his father's firm, Hill and Hall, Stock Brokers. In a highly structured society, Maurice is a conventional young man in almost every way, "stepping into the niche that England had prepared for him": except that he is homosexual. (from back cover of 1987 edition)
