**Stone Mattress: Nine Wicked Tales** By Margaret Atwood

A Best Book of the Year: NPR, *BookRiot*

In this extraordinary collection, Margaret Atwood gives us nine unforgettable tales that reveal the grotesque, delightfully wicked facets of humanity. “Alphinland,” the first of three loosely linked tales, introduces us to a fantasy writer who is guided through a stormy winter evening by the voice of her late husband. In “Lusus Naturae,” a young woman, monstrously transformed by a genetic defect, is mistaken for a vampire. And in the title story, a woman who has killed four husbands discovers an opportunity to exact vengeance on the first man who ever wronged her.

By turns thrilling, funny, and thought-provoking, *Stone Mattress* affirms Atwood as our greatest creator of worlds—and as an incisive chronicler of our darkest impulses.

## Editorial Review

### Amazon.com Review

**An Amazon Best Book of the Month, September 2014:** “Stop trying to pimp me out to all these groupies,” a famous author and infamous cad utters in “Revenant,” one of three cleverly interconnected tales that begin Margaret Atwood’s superbly sardonic *Stone Mattress*. He is referring to an impending visit from an infatuated graduate student who is supposedly writing a thesis about his sonnets...which aren’t really sonnets (long story). Naveena—her name, he derisively but accurately points out, “sounds like cheese food slices. Or better—like a hair-removal cream”—is insufferable enough to be sure. The depiction makes yours truly nervous to be writing this review, but it’s all part of the fun, and these tales *are* fun, which is odd considering the sinister current that runs through many of them. But it’s as if the reader is privy to some sort of inside joke. This is especially evident in “The Dead Hand Loves You,” when Atwood playfully skewers the horror genre then gleefully indulges in it, and the ominously tongue-in-cheek “Torching the Dusties.” Fans of Margaret Atwood will certainly delight in this collection. But beware, the *Stone Mattress* will make groupies of old and new readers alike. —*Erin Kodicek*

“Powerful. . . . Witty and frequently biting, *Stone Mattress* is keen to the ways in which we choose, all our lives, to love and to hurt—and in Atwood’s world these two actions are always choices, creating consequences for which we will one day be held to account.” —*The New York Times Book Review*

“[These] stories have the caustic wit and giddy deviance . . . along with the probing interiority and flinty insights of Atwood’s novels.” —*Minneapolis Star Tribune*

“Danc[es] over the dark swamps of Horror on the wings of satirical wit. . . . Look at these tales . . . as eight icily refreshing arsenic Popsicles followed by a baked Alaska laced with anthrax, all served with impeccable style and aplomb. Enjoy!” —Ursula K. Le Guin, *Financial Times*

“Stylish, acerbic and wickedly funny. . . . With wit, sympathy and precision, Atwood draws readers into a reflective frame of mind.” —*The Miami Herald*

“Absorbing. . . . Impressive. . . . Stone mattresses make for restless sleep, but in this elegant collection,

everyone expresses that restlessness differently.” —*The A.V. Club*

“Powerful. . . . Extraordinary. . . . Realism and ridiculousness, play and deadly seriousness, are held in fine balance throughout.” —*The Guardian* (London)

“[Atwood’s] ability to surprise and her sparkling language are on full display. . . . *Stone Mattress* not only showcases its author’s talents at their most refined, it also affords a glimpse behind the curtain to the woman working the megaphone.” —*The Globe and Mail* (Toronto)

“Wickedly funny, mordantly observed ruminations on how the sexes interact. . . . With *Stone Mattress*, Atwood brilliantly returns to her literary roots as a deliciously funny observer of the human comedy.” —*The Toronto Star*
