Editorial Review

About the Author

Jack Gido was most recently Director of Economic and Workforce Development and Director of PennTAP, the Pennsylvania Technical Assistance Program, at Penn State University. In this position, he directed the program, obtained funding, and provided leadership for a statewide staff who provide technology assistance and workforce development to Pennsylvania business and industry to improve their global competitiveness. Jack has 20 years of industrial management experience, including the management of productivity improvement and technology development projects. He holds an MBA from the University of Pittsburgh and a BS in Electrical Engineering from Penn State University. Jack is a member of the Project Management Institute and the former president of the Upstate New York Chapter, and he teaches courses on project management.

Jim Clements currently serves as the 15th President of Clemson University. Prior to becoming President at Clemson University, Dr. Clements served as President of West Virginia University. Previously he was Provost and Vice President for Academic Affairs, Vice President for Economic and Community Outreach, Chair of the Computer and Information Sciences Department, and the Robert W. Deutsch Distinguished Professor of Information Technology at Towson University. He holds a Ph.D. in Operations Analysis from the University of Maryland, Baltimore County, an M.S. in Computer Science from the Johns Hopkins University, and a B.S. and M.S. in Computer Science from the University of Maryland, Baltimore County. He is the author of more than 75 research publications. During the past 25 years, Dr. Clements has served as a consultant for a number of public and private organizations. He is also a four-time winner of the Faculty Member of the Year Award given by students at Towson University.

Users Review

From reader reviews:

Joshua Bush:

As people who live in the actual modest era should be up-date about what going on or info even knowledge to make these individuals keep up with the era which can be always change and advance. Some of you maybe can update themselves by reading through books. It is a good choice to suit your needs but the problems coming to you is you don't know which you should start with. This Successful Project Management is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Starr Place:

Often the book Successful Project Management has a lot details on it. So when you read this book you can get a lot of benefit. The book was written by the very famous author. The writer makes some research previous to write this book. That book very easy to read you will get the point easily after reading this article book.

Michael Patterson:

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you have done when you have spare time, after that why you don't try thing that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Successful Project Management, you can enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Brenda Cornell:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Successful Project Management can make you sense more interested to read.
