THE BLUE BEETLE was one of the more traveled and successful heroes of the mid-20th Century. He had his own series from Fox Feature (60 issues) and appeared in a dozen other magazines as back-up feature or team cameo. One of the more celebrated incarnations came from Charlton Comics, 1965-1967, with a new BLUE BEETLE, new powers, and a modern storyline – in fact, two completely different reboots! We have the both complete Charlton BLUE BEETLE series for you – over 400 pages of exciting Silver Age Superhero Action! These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time!
