### **Contemporary Native American Cultural Issues (Contemporary Native American Communities)** From Brand: AltaMira Press

Duane Champagne has assembled a volume of top scholarship reflecting the complexity and diversity of Native American cultural life. Introductions to each topical section provide background and integrated analyses of the issues at hand. The informative and critical studies that follow offer experiences and perspectives from a variety of Native settings. Topics include identity, gender, the powwow, mass media, health and environmental issues. This book and its companion volume, "Contemporary Native American Political Issues", edited by Troy R. Johnson, are ideal teaching tools for instructors in Native American studies, ethnic studies, and anthropology, and important resources for anyone working in or with Native communities.

### Editorial Review

#### Review

Although there are several anthropological textbooks on Native Americans, a collection discussing contemporary sociological issues for classroom use is sorely missing. Champagne and Johnson are addressing this lack. In their two-volume collection of essays, the editors are providing a broad range of topics facing Native American communities at this time. (Annette Kuhlmann, (University of Wisconsin, Baraboo) *Journal Of Ethnic History*)

These two volumes (with *Contemporary Native American Political Issues*, ed. Johnson) succeed in conveying the complexity of Native American needs and the cultural context in which they are embedded. (Niels W. Braroe, (Massachusetts Institute of Technology) *Practicing Anthropology*, Vol. 22 No. 3)

#### About the Author

**Duane Champagne** is Professor of Sociology and Director of the Native Nations Law and Policy Center at the University of California, Los Angeles.

### Users Review
