**For the President's Eyes Only: Part One - Complete Declassified Top Secret CIA President's Intelligence Checklists (PICLs) and Daily Briefs (PDBs) - Kennedy, Johnson, Cuban Missile Crisis, Vietnam** By U.S. Government, Central Intelligence Agency (CIA)

This is part one of a three-part complete print replica reproduction of all 2485 declassified, formerly top secret documents released by the Central Intelligence Agency (CIA) in September 2015. This trove of over 19,000 pages provides a truly unique insight into the intelligence provided to President Kennedy and President Johnson during crucial episodes in history, including the Bay of Pigs, the Cuban Missile Crisis, Soviet military and space developments, and the early stages of the war in Southeast Asia. This reproduction provides a convenient single-book source of every released document!

The CIA's Historical Review Program on 16 September 2015 released a collection of presidential briefing products written during the Kennedy and Johnson presidential administrations. This large-scale release of The President's Intelligence Checklists (PICLs) [an acronym pronounced "pickles"] and The President's Daily Briefs (PDBs) includes almost 2,500 documents exclusively written for the president each day except Sunday. They summarized the day-to-day intelligence and analysis on current and future national security issues. President Kennedy received the first PICL -- a seven-page 8 1/2- by 8-inch booklet -- on Saturday, 17 June 1961 at his country home near Middleburg, Virginia. The PICL was replaced by the PDB on 1 December 1964, during the Johnson administration. In addition to the PDBs and PICLs, the collection includes The President's Intelligence Review and its replacement, Highlights of the Week, as well as ad hoc supplemental products and annexes that featured topics of presidential interest. The CIA originators of the PICL, and later the PDB, strove to craft a daily current product that was true to sensitive source reporting and yet was easily readable by the president and his advisors.
