Off the court, tennis star Jason Cartwright's playboy image is taking a public beating. On the court, he's down forty-love. A comeback is in order, but the makeover he needs is in the hands of the woman he loved and left fifteen years ago.

While single-mom, Izzy Connors, sees people for who they really are through the lens of her camera, even without it, she knows Jason isn't the star he appears to be. All she sees is his wasted talent and playboy lifestyle.

Will the click of her camera shatter his world as well as his heart?

***GAME, SET, MATCH** is a Hilarious Romantic Comedy with steamy sexual content and mild language.*

Interview with the Author

Q - So, what makes the Love Match series special?

A - It's a mix of things, really. When I first wrote Game, Set, Match, I intended it to be a stand-alone novel, but the characters demanded the series continue. When I started to write, I wanted to write the things I wanted to read. Quirky romantic comedy and contemporary romance. I also loved books that featured women of color, which is why I wanted to incorporate multicultural and interracial storylines.

Overall, I use humor to keep the pages turning – Never a dull moment.

Q - What order should I read the books in?

A – Right now there are two in the series, but I'll be continuing the saga in 2016:

- Game Set Match
- Mismatch
- More coming in 2016!

Q - So, why should readers give these books a try?

A - Because the Love Match series are fast-paced, hilarious reads that will make you laugh out loud, cry a little and want a best friend as fabulous as Jessica, not to mention men as awesome as Jason and Eli. If you love romantic comedies, or Sports Romance, Game Set Match is the perfect start! And even better, it's a free romance read!! And if you love a tattooed, pierced alternative heroine paired with an alpha male hero, then Mismatch is for you!

Ultimately, readers who enjoy fast-paced, romantic comedy reads, with secret baby, a sports romance, or a mistaken identify romance they will get a kick out of this series.

Q - Can readers get the whole series in one go?

A – Sure can! I've put together a bundle for those who like to keep the party going after book 1. Check out my author page here at Amazon for more details, and a full list of my available titles.

And thanks for reading!

### **About the Author**

Nana's love of all things romance and adventure started with a tattered romantic suspense she borrowed from her cousin. It was a sultry summer afternoon in Ghana, and Nana was a precocious thirteen. She's been in love with kick butt heroines ever since. With her overactive imagination, and channeling her inner Buffy, it was only a matter of time before she started creating her own characters. Waiting for her chance at a job as a ninja assassin, in the meantime Nana works out her drama, passion and sass with fictional characters every

bit as sassy and kick butt as she thinks she is. Though, until that ninja job comes through, you'll find her acting out scenes for hubby, baby and puppy while catching up on her favorite reality television shows in sunny San Diego.
