Lest We Forget: An Army Ranger Medic's Story By leo jenkins

A rare look inside the life of an Army Ranger medic. The compelling true story of what it takes to become and operate as a special operations medic during the height of the global war on terrorism. Detailed accounts (and pictures) from the search and rescue operation for the US Navy Seals that were compromised in the mountains of Afghanistan during operation Redwings (best selling book, Lone Survivor by Marcus Luttrell) is just one of the many combat operations described in this thrilling book. Take a look inside the US special operations medical course as the author trains for the reality of combat in Iraq and Afghanistan. Lest We Forget is a respectful look into the reality of war and the impact it has on the individuals that have fought for the brothers to their left and right.
