#### Amazon.com Review

Rising divorce rates inspired Dr. James Dobson, founder and president of Focus on the Family, and his wife, Shirley, to author a devotional for couples in an attempt to strengthen the marriages of younger generations. *Night Light: A Devotional for Couples* contains six months of daily devotions stemming from the Dobsons' 40 years of marriage experience. Beginning on Sunday, an inspirational story addresses a relevant theme, such as communication, money, forgiveness, or conflict resolution, which is expounded upon throughout the devotions for that week. Scripture, probing questions, and short anecdotes encourage intimacy between the couple in an attempt to ward off stagnation and habitual laziness in spiritual growth. While the questions and suggestions will affect every couple differently, this devotional stimulates conversation about weighty issues of the heart and turns the head toward what matters for eternity. Knowing that most couples are too exhausted by the end of the day to analyze every facet of their marriage, however, the Dobson's have crafted the devotions to be completed within 10 minutes. One would expect this to be most helpful for newlyweds, but it is a revitalizing aide for those who have had poor communication throughout their marriage or are looking to refocus their marriage on Christ. *Night Light* is a wonderful way to set your mind on the Lord before turning out the light and for drawing closer to your mate in the process. --Jill Heatherly
