### Romance on the Ranch Series By Verna Clay

Romance on the Ranch Series (Books 1 - 3): *Dream Kisses; Honey Kisses; Baby Kisses*

#### *Dream Kisses*

Dream Kisses kicks off the series when Sarah Carter, a.k.a Mims Murphy, meets Sage Tanner at Imaginings Publishing while he's posing for the cover of her soon-to-be-released romance novel. After being bulldozed into a coffee break with him by her publisher, an embarrassing incident upsets Sarah and she walks out. Of course, fate has a wonderful way of intervening in matters of the heart. After deciding her book needs realism, she signs up for "dude" lessons at Lazy M Dude Ranch. Imagine her chagrin when she discovers the owner of the ranch is none other than Mr. Tanner himself! Yup.

#### *Honey Kisses*

Ann Hackstetter first met Jackson Martinez while vacationing at Lazy M Dude Ranch with her husband and teenage son. Part of the "dude" package included a night of fun at Boot Bustin' Barn. Ann suspects that Sage Tanner, owner of Lazy M, bribed Jackson to dance with her as a way of making her inattentive husband jealous. Little did she realize the dance would awaken emotions long suppressed. Of course, she has no outlet for those emotions. Now, five years later, she's a widow--a destitute widow. Over the years her son's friendship with Sage's daughter has blossomed, and now they're getting married. Wedding responsibilities have temporarily taken Ann's mind off her desperate situation. At the reception, Jackson asks her to dance--reawakening those emotions. He makes her feel twenty-one, instead of forty-one.

#### *Baby Kisses*

Tooty Townsend bore a child at the age of sixteen. Now, four years later, she has her hands full raising Harris and trying to make a living. Reclusive author, Maxwell Henry, real name, Miles Brightman, is looking to hire a personal assistant while he's in Colorado finishing up his latest suspense thriller. Sarah Tanner, stepmother to Tooty's best friend, Julie, and a friend of Miles, recommended her to the author. Unfortunately, Harris climbed onto the guy's lap at Julie and Jacob's wedding reception and asked him to take him for a ride in his wheelchair. Then he asked him to marry his mommy and become his daddy!

Tooty needs a job and she's swallowing her pride to apply for this one.

### Editorial Review

#### Review

Amazon Review for *Dream Kisses*-5 stars

Wonderful!

This book was wonderful! It was a great and fun read, and I loved all the characters in this story. I enjoyed this book so much, that I also read the other books in the Ranch series. I loved them all! If you're looking for a great romance story, then this series is just for you.

*Honey Kisses* reviewed by Kristie I. for Readers' Favorite-5 stars

This book is a wonderful continuation of the series! Annie and Jackson are both lovable characters from book one, "Dream Kisses"...The character of Annie came alive...This is a wonderful romance series that will have you loving the characters, and wishing to join their lives on the ranch!

*Baby Kisses* reviewed by Kristie I. for Readers' Favorite-5 stars

Verna Clay continues her 'Romance on the Ranch' series with book three, "Baby Kisses." I really enjoyed this book and the "extra" story that is being read at the same time in the journal that Tooty inherits..Clay does a wonderful job with tying these stories and lives together..This is a series that any romance reader is not going to want to miss out on as it is filled with lovable characters who are so realistic. They experience love and heartache and are trying to move on from past hurts to rediscover the joy of everyday life.

#### From the Author

For a long time I wanted to write a funny contemporary western, and when the words "Dream Kisses" popped into my mind, I knew I had the title for my book. And, as usual, while writing the story, secondary characters kept begging to be put on paper, too. I have titled this series *Romance on the Ranch* and loved every minute I spent there!

#### About the Author

*2014 Gold Medal Winner: Readers' Favorite International Book Contest/Historical Romance for ABBY: MAIL ORDER BRIDE*

My perfect day: Laptop; WiFi availability; Java Mocha; characters demanding their stories be told; a plot that comes together; and hours to live in an alternate reality.

Seriously, I have always loved reading, and now I love writing. As a preteen, I devoured Nancy Drew and Hardy Boys Mysteries. When I reached my teen years, the romance genre became my favorite and that has never changed. I have written over twenty-five novels and novellas in the genres of contemporary western romance, historical western romance, contemporary romance, and fantasy romance. Because I hate saying goodbye to characters who have lived with me for months, I usually create a series so they can be revisited from book to book.
