### Editorial Review

From [Booklist](#)

The liberation of San Francisco came with a price. Talbot presents the tempestuous years, from 1967 to 1982, as a new-versus-old battle for the city's soul. In an extensive history bursting with details and larger-than-life personalities, Talbot champions the outsiders, a human carnival from hippies to drag queens to activists, against the authorities representing the old, mainly Catholic, establishment. The extensive cast of characters includes Janis Joplin, Patty Hearst, Jim Jones, Harvey Milk, and Bill Walsh. Talbot, who started the San Francisco-based web magazine Salon and previously wrote the bestseller *Brothers: The Hidden History of the Kennedy Years* (2007), presents gripping accounts of both crime sprees and football showdowns. Even people who were there might take away something new, and for others, the book offers a comprehensive introduction to the era. Talbot believes modern San Francisco values have changed the world, and he explores the crucible of the transformation, in all its hope, violence, and glory. --Bridget Thoreson

### Review

"Exhaustive research yields penetrating character studies...Talbot incisively relates the atmosphere of service in the Haight...In a surprising ending, Talbot convincingly suggests that imperfect new mayor Dianne Feinstein resurrected the city's heart as it rallied around the 49ers. In exhilarating fashion, Talbot clears the rainbow mist and brings San Francisco into sharp focus." — *Publishers Weekly* (starred review)

"Talbot presents gripping accounts of both crime sprees and football showdowns. Even people who were there might take away something new, and for others, the book offers a comprehensive introduction to the era." — *Booklist*

"A gritty corrective to our rosy memories...enthralling, news-driven history...smart and briskly paced tale... I found it hard to put down *Season of the Witch*." — *San Francisco Chronicle*

"An ambitious, labor-of-love illumination of a city's soul, celebrating the uniqueness of San Francisco without minimizing the price paid for the city's free-spiritedness... the author encompasses the city's essence... Talbot loves his city deeply and knows it well, making the pieces of the puzzle fit together, letting the reader understand...Talbot takes the reader much deeper than cliché, exploring a San Francisco that tourists never discover." — *Kirkus Reviews*, starred review

### About the Author

David Talbot, author of the *New York Times* bestseller *Brothers: The Hidden History of the Kennedy Years*, is the founder and CEO of *Salon*. He lives in San Francisco.

### Users Review

#### From reader reviews:

#### Anthony Chan:

In this 21st millennium, people become competitive in every way. By being competitive currently, people have to do something to make all of them survive, being in the middle of often the crowded place and notice

through surrounding. One thing that oftentimes many people have underestimated the item for a while is reading. Yes, by reading a publication your ability to survive enhance then having chance to endure than other is high. For yourself who want to start reading the book, we give you this kind of Season of the Witch: Enchantment, Terror, and Deliverance in the City of Love book as starter and daily reading guide. Why, because this book is usually more than just a book.

#### **Jeffrey Drake:**

Like Season of the Witch: Enchantment, Terror, and Deliverance in the City of Love which is keeping the e-book version. So , why not try out this book? Let's find.

#### **Bernice Cofield:**

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Season of the Witch: Enchantment, Terror, and Deliverance in the City of Love can make you experience more interested to read.
