Editorial Review

Review

“The major accomplishment of this book, in addition to guiding the reader through the dangerous thickets of political and social upheaval, is the delineation of the factors that preserved the monarchy and expanded its potential sway.” (*English Historical Review*, February 2009)

“The major accomplishment of this book, in addition to guiding the reader through the dangerous thickets of political and social upheaval, is the delineation of the factors that preserved the monarchy and expanded its potential sway.” (*English Historical Review*, February 2009)

“A comprehensive history of the political development...during a period of...crisis.... Bridges the gap between the central Middle Ages and the Renaissance.” (*Speculum*)

Review

“Plagues, crusades, civil wars and fratricidal princes: there is no better introduction to the chaotic political and cultural history of fourteenth and fifteenth century Spain than this vivid volume by a magisterial scholar, master teacher, and dean of Spanish historians.”

—David Nirenberg, The University of Chicago

From the Back Cover

This book is a comprehensive history of Spain from the turn of the fourteenth century to the union of the Crowns of Castile and Aragon in 1474.

In the early 1300s instabilities threatened to undermine Spain's basic social, economic, political, and cultural structures. This text focuses on the crises of Spain in the late middle ages, ranging from plague and famine to violence and civil war. It considers the early transformations that underpinned the country's later successes and describes resolutions to the country's hardships brought about by the reforms of the Catholic Monarchs, Ferdinand and Isabella, in the late 1470s. The book examines the administrative changes and cultural revival that readied Spain for the opportunities and challenges of the oncoming early modern Age of Discovery.

Users Review

From reader reviews:

Olga Noone:
