For her, he'll break all the rules...

Upon returning to her hometown for her grandmother's funeral, Sage Matthews is  
terrorized by a series of strange events. She dismisses each eerie occurrence as a  
by-product of her overwrought emotional state, until it becomes chillingly clear  
that something not of this world is desperate to get a message--or is it a  
warning?--through to her...

Detective Sergeant Ethan Blade comes to Cryton, South Australia, to catch a  
serial killer. When Ethan meets Sage--the latest victim's beautiful granddaughter--  
his attraction to her is explosive and inconvenient. He knows she's not crazy, but

Sage's theory about the murders is unbelievable.

With the handsome detective rejecting her ideas, Sage embarks on the supernatural journey that her grandmother started. What she discovers shatters everything Sage ever knew about herself--and who she really is.

Ethan's routine case quickly turns personal when he discovers Sage is the killer's next target. For her, he'll break all the rules and cross every line. But how can he protect Sage from an evil he cannot even conceive of?

To save her, he must let go of everything he ever believed.
