The Zombie Guide to English Grammar By Derek Murphy

A GUIDED ZOMBIE ADVENTURE OF THE MOST COMMON
GRAMMATICAL MISTAKES IN ENGLISH

English has a lot of rules. Sometimes they can be tricky. So we took the 25 most dangerous grammar mistakes and wove them into a thrilling zombie narrative. Each rule comes with a gruesome example sentence that's sure to stick in your memory.

You might think you've got these basic grammar rules mastered, but that's why they're so dangerous. Our brains are funny things (that taste great with ketchup). Even if you already know these rules, mistakes will still creep into your writing. You need to be vigilant, and destroy those little buggers.

We hope you enjoy the story, and learn something new!

*This book can be used with middle school or high school English classes.
There's a quiz at the back for practice.*

Editorial Review

Users Review

From reader reviews:

Michael Farrell:

Book is to be different per grade. Book for children until finally adult are different content. As it is known to us that book is very important for us. The book The Zombie Guide to English Grammar had been making you to know about other information and of course you can take more information. It is extremely advantages for you. The publication The Zombie Guide to English Grammar is not only giving you a lot more new information but also for being your friend when you experience bored. You can spend your spend time to read your book. Try to make relationship with the book The Zombie Guide to English Grammar. You never feel lose out for everything in the event you read some books.

Kathleen Strickland:

This The Zombie Guide to English Grammar usually are reliable for you who want to certainly be a successful person, why. The reason of this The Zombie Guide to English Grammar can be one of several great books you must have is definitely giving you more than just simple reading food but feed anyone with information that probably will shock your before knowledge. This book is usually handy, you can bring it all over the place and whenever your conditions in the e-book and printed types. Beside that this The Zombie Guide to English Grammar forcing you to have an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we understand it useful in your day exercise. So , let's have it and revel in reading.

Kevin Pinkney:

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Guides can also inspire a lot of people. Lots of author can inspire their own reader with their story or their experience. Not only the storyline that share in the guides. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this The Zombie Guide to English Grammar.

Norman Duque:

This The Zombie Guide to English Grammar is great guide for you because the content and that is full of information for you who else always deal with world and have to make decision every minute. This book

reveal it details accurately using great organize word or we can say no rambling sentences in it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having The Zombie Guide to English Grammar in your hand like finding the world in your arm, info in it is not ridiculous one particular. We can say that no e-book that offer you world inside ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. hectic do you still doubt in which?
